## ***Purpose***

This is the Awards Standards Document for the HFS Inter Kingdom Council. This document is the guideline for giving out Awards and Nobility titles to members of HFS.

No amendment may lessen, raise, or invalidate an award standard in this document.

Additional awards may be created and given upon a kingdom's own standard.

Additional Nobility titles may be created and added to the titles chart as long as a document that shows the equivalency to HFS standard is submitted to the Council.

Award Names and Title names may be customized as long as a document that shows the equivalency to HFS standards is submitted to the council.

## ***Award Types & Definitions***

- Arts & Sciences
  - Rewards hard work and dedication in the fields of Arts & Sciences related to the Renaissance, Medieval, and Dark Ages, as well as related Fantasy or Mythical genres dealing with those periods. Role-Play is a performance art that fits in this category. Other types of Arts & Sciences not generally relating to the before mentioned but helps the club should be awarded with the Service type award.
- Fighting
  - Rewards individuals for work and skill toward HFS Battlefield and Combat Prowess.

## ***Title Standards***

Titles should be given out per the following Chart. To use the chart, mark the number of years of participation in the years column, then mark the number of award masteries on the mastery column. Draw a line from mark to mark and use the title that is in the center of the line. In the case that the line crosses a row line, take the higher title that borders the row line.

Mastery	Title	Years
1		1
2	Title 1	2
3	Title 2	3
4	Title 3	4
5	Title 4	5
6	Title 5	6
7	Title 6	7
8	Title 7	8
9	Title 8	9
10		10
11		11
12		12

Notice in the example, someone with 6 years, and 1 mastery has barely gained the title rank 3, where the player that has spent 2 years in the game and has 4 masteries has gained title rank 2 and one year or mastery away from title rank 3. This system rewards people who participate on both levels while rewarding those that do the most over time with the fastest gain.
